## HARD TO SAY GOODBYE.....

After 20+ years, Kitchen Ideas Center says goodbye to Chuck Weidenbach. Chuck has been an amazing part of the KIC TEAM for over two decades. We will miss his creativity, and his caring & witty personality. As he takes on the next adventure in his life, we wish him all the *BEST* and *MUCH HAPPINESS*.

---

*On behalf of Kitchen Ideas Center, We wish your teams and loved ones, health and safety.*

*Everything is going to be alright.....*

---

*Wishing you much joy & happiness as you begin a new chapter in your life.*

## NEW ADDITION TO THE KIC TEAM.....

Kat Otis joins Kitchen Ideas Center, as Design Assistant. Kat has many years in the home building/remodeling industry. She has always felt it to be an honor to be involved in a home project, as our homes are the most intimate places. Seeing the *BEFORE* and *AFTER* of the projects never gets old. When not working, Kat loves to spend time in the garden, cook a scrumptious meal, read a good book, and have plenty of snuggle time with puppy Jax.

## KIC NOW HAS ACCESS TO THIS COOL SINK.....

This double-bowl farmhouse sink is sleek, sensible and elegant. Dual basins allow for an array of culinary tasks, while a straightforward silhouette and smooth, matte texture provide an eye-catching allure. Choose whether to showcase the apron-front or install behind cabinetry. The Farmhouse Double-bowl is handcrafted of NativeStone: a sustainable combination of natural jute fiber and cement. This signature blend produces an extraordinarily strong material, which weighs approximately 40 percent less than standard concrete sinks.
